The purpose of the Kilgore Chamber of Commerce & Visitors Bureau is to cultivate a strong business and industrial environment in Kilgore, create a vibrant place to live, learn, work and play.

In 2018, we took some time to sit down and think about what we, as a chamber of commerce and visitor's bureau, should be doing for the Kilgore, Texas area and our membership. We developed a three (3) year strategic plan that includes making certain our resources align with our purpose; increase membership and improve retention with quality benefits and services; reduce unoccupied business space in Kilgore, and to facilitate partnerships between business, industry, education, and government.

As a community, Kilgore, Texas understands that working together is how to get things done. In addition to its nearly 15,000 residents. Kilgore also draws from Gregg and Rusk counties with a combined population of nearly 160,000. The people who live here see Kilgore as a friendly small town that has many characteristics of a larger community. ABOUT KILGORE

KILGORE HISTORY

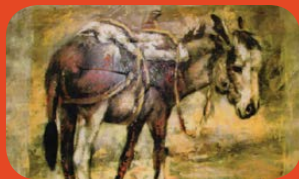

Surrounded by the lush green pine forests and clear blue lakes of East Texas, Kilgore has a long and unusual history that sets the stage for today's unique community. The area around what is now Kilgore was a rural agricultural and forestry region when in 1872 Constantine Buckley "Buck" Kilgore, with 174 acres, secured the right of way of an International-Great Northern Railroad line that would pass through the new town site from Palestine to Longview. The area was settled in 1872 with the new railroad. The new town became a small trade center for farmers, lumbermen and cotton growers.

Plantation owners settled the area before the Civil War. Kilgore was just a quiet farming community of 500 until one day it was thrust into the international spotlight with the discovery of one of the richest oilfields in the world. The simple, everyday life of the Kilgore community was drastically altered on December 28, 1930, when the Lou Della Crim #1 came in with more than 20,000 barrels of crude oil per day.

In just ten short days, the town's population exploded as more than 10,000 fortune seekers swarmed Kilgore from all over the world. By 1939, a forest of nearly 1,200 oil derricks crowded together within the city limits—most concentrated within one square block that became known as the World's Richest Acre. One well was actually drilled through the terrazzo floor of the Kilgore National Bank that once stood in the area. Kilgore quickly became known as the capital of the huge East Texas Oil Field.

By the end of the 1930s Kilgore was developing into a modern small city with a thriving downtown. As downtown buildings were built, "contemporary" architecture was used. Education and culture were birthed as the boom matured with the creation of Kilgore College and the World-Famous Kilgore College Rangerettes. Kilgore's population stabilized in the 1950s and 1960s.

KILGORE TODAY

In sharp contrast to the thriving boomtown of the 1930's, Kilgore today is a city that blends its rich oil heritage with a technologically advanced business community that provides residents with an incomparable quality of life. ARTS & CULTURE

Residents and visitors can experience the unique character of Kilgore through its Historic Downtown, museums, restaurants, local events, performance venues, parks, historic landmarks and boutique shopping.

Kilgore is fortunate to have so many cultural assets and attractions within a mile of each other.

Some highlights to visit are:

- **East Texas Oil Museum**
1201 S. Henderson Boulevard • Kilgore, TX
Wednesday – Saturday: 10:00 a.m. – 5:00 p.m.

This fascinating museum houses the authentic re-creation of oil discovery and production in the early 1930s from the largest oil field inside U.S. boundaries. Here, visitors see the people, their towns, their personal habits, their tools and their pastimes – all colorfully depicted in dioramas, movies, sound presentations and actual antiques donated by East Texas citizens.

- **Kilgore Public Library**
301 N. Henderson Boulevard • Kilgore, TX

Kilgore's first public library opened in 1933 under the direction of two local women's clubs. With funding from the Federal Public Works Administration, support from the city, and labor from the Works Progress Administration, this structure was completed in 1939. Designed in a style reminiscent of cottages in the French province of Normandy, it stands as a visible reminder of Kilgore's depression-era progressivism and continues to serve local citizens.

- **Texas Museum of Broadcasting & Communications**
416 E. Main Street • Kilgore, TX
Friday & Saturday: 10:00 a.m. – 5:00 p.m. or by appointment

An interactive museum preserving America's broadcast history from its earliest days through the present, with vintage television and radio broadcast facilities.

- **Rangerette Showcase Museum**
1100 Broadway Boulevard • Kilgore
Wednesday – Friday: 10:00 a.m. – 3:00 p.m. (extended hours during special events) | Free Admission

Go high stepping through time with the world famous Kilgore College Rangerettes at the Rangerette Showcase Museum. Located at Broadway and Ross streets on the Kilgore College campus, the museum pays historical tribute through films, Scrapbooks, costumes, and photographs.

Best known for its oil history, Kilgore is rich in arts and cultural events, with 18 taking place throughout the year and that is just in the Cultural District. Some of the more well-known Kilgore events are the Texas Shakespeare Festival, East Texas Oilmen's Chili Cook Off and the Rangerette Revels, however there are so many more to experience.

LOCAL EVENTS

RANGERETTE REVELS

The Rangerettes are the world's best-known collegiate drill team and the Rangerettes Revels is the annual spring show and the culmination of their performing season. The show includes a wide variety of dance genres including the Rangerettes signature "high kick" production for the finale. The Revels started in 1948 as an in-school talent show and fund-raiser called "Ranger Roundup" which took place in the school gymnasium and this Spring tradition continues, attracting over 6,000 people from across the country including over 80 high school dance and drill teams.

ANNUAL SECONDARY ART SYMPOSIUM

The art symposium gives students a chance to immerse themselves in local art and become familiar with other local artists. It also gives them a chance to receive feedback on their work and see a cross section of work from other local schools. The symposium, which started at Kilgore College in the early 90's offers 10 scholarships ranging from \$800 to \$2,000 and saw over 300 students attend in February 2018 from 20 counties.

LONE STAR LUGNUTS CAR SHOW

Taking place for the 13th year in Kilgore, the Lone Star Lugnuts Early Bird Car Show had more than 100 vehicles turn out to Kilgore City Park in March 2019. HOMES & LIVING

KILGORE: A GREAT PLACE TO LIVE!

Kilgore is a small city of 15,000 nestled in the Piney Woods of East Texas, between its much larger neighbors, Longview and Tyler. Its neighborhoods offer residents a suburban look and feel, and most residents own their homes. With above average schools and lots of parks, it is attractive to families and young professionals. Kilgore College is in the center of town, and offers residents a number of cultural and educational opportunities, as well as employing a well- educated faculty who contribute to the quality of life in the community. Roughly 200 homes changed owners in 2018, so the market is robust for a town its size. The average sale's price is about \$150,000, with prices going as high as the mid \$400's, and as low as the \$20-30,000 range. Revitalization efforts in the downtown area have seen new restaurants and shopping venues open and flourish, which has attracted more residents. Kilgore is an easy commute to either Longview or Tyler, and its affordability has made it an attractive option for people employed in those nearby locations. It is a great place to live!

EDUCATION

PROUD TRADITIONS ... TOMORROW'S OPPORTUNITIES

KILGORE INDEPENDENT SCHOOL DISTRICT

Kilgore ISD: a unique place, a special place, a place you read about and want to bring your own family. You can find it at the crossroads of proud traditions and a progressive educational experience.

Kilgore ISD focuses on building academic success one student at a time. Teachers in KISD employ hands-on learning experiences, provide real-life applications for classroom knowledge, and take the time to get to know the students of Kilgore ISD.

From Inquiry/Project based learning to Blended Learning to traditional classroom experiences, KISD campuses are implementing proven and effective approaches to reach our students. With a graduation rate of 96% and a drop out rate of less than 1% KISD is moving in the right direction to keep students on track.

KISD offers a One-Way Dual Language Program as well as a Two-Way Dual Language Program. Elementary students in the dual-language program reap the academic and language benefits of this rigorous program. Using the Gomez and Gomez Dual Language Enrichment model, Kilgore Primary, Chandler Elementary, and Kilgore Intermediate Schools are paving the way for a culture of bilingualism on the campuses and throughout the district.

Kilgore High School students can choose from 5 endorsements and 14 different career paths that prepare students for life after high school. Students can pursue studies in fields as varied as medical sciences, game design, agricultural sciences, media production, welding, and many others. Over 26% of high school juniors and seniors are pursuing dual credit.

At Kilgore ISD, schools are not just about classrooms and test scores. Students participate and win Academic UIL, UIL Band, UIL Orchestra, UIL Choir, UIL Sports: Football, Volleyball, Basketball, Soccer, Tennis, Track, Baseball, and Softball, UIL Drama, and UIL Journalism. They also serve their community through various volunteer activities such as backpack for schools, Relay for Life, and many more. Teachers at KISD campuses look for ways to incorporate the bigger picture into the learning for students.

When students enroll in a KISD campus, they are much more than just a number or a face in the crowd. Every student on every campus becomes a member of a “family.” These families of students, faculty, and staff build the optimal learning environment needed for our students to learn.

To be successful in the classroom or in life KISD recognizes certain character traits are vital for success. From Pre-K to twelfth-grade students master the KISD Essential of Excellence.

The 10 Essentials include things like:

- Respect others’ comments, opinions, and ideas.
- Learn from your mistakes and move on.
- Make eye contact when someone is speaking.

PUBLIC SAFETY

POLICE DEPARTMENT

The Kilgore Police Department has been providing professional Police Service to residents and visitors of our community since 1931. The Kilgore Police Department is a Recognized Agency through the Texas Police Chief's Best Practices Program and was re-recognized in 2017. KPD is comprised of a Patrol Unit and Support Services Unit. The Patrol Unit consists of our patrol officers as well as K-9 and Traffic units. The Support Services Unit consists of Communications, Criminal Investigations, Victim Services, Narcotics, School Resource Officers and the Municipal Jail. Kilgore PD contributes three officers to the Longview Police Department's combined SWAT team. The Department currently consists of 37 sworn officers (including four in administration), 8 full-time dispatchers, a Police Manager and two records personnel. The Kilgore Police Department provides many specialized services in Community Policing programs including the Clergy and Police Alliance (CAPA), Citizens Police Academy, Volunteers in Police Services (VIPS) and our award winning National Night Out Program. The Kilgore Police Department prides itself in the relationship that it has built with our community.

FIRE DEPARTMENT

The Kilgore Fire Department responds to the City of Kilgore and parts of Rusk and Gregg Counties. The Department responds with 36 paid firefighters out of three strategically located fire stations. All firefighters are certified by the State of Texas Fire Commission and are all EMT's supplemented with some paramedics that are able to provide advanced medical care.

Nationally only 2% of fire departments have achieved an ISO classification of 2 or better. Kilgore Fire Department is proud to have a classification of 2. The City of Kilgore Police and Fire Departments both are recognized by their respective State Associations for Best Practices. The Best Practices program status of excellence is validated by independent experts and demonstrates that these organizations are among the very best in the State of Texas.

The Fire Department is a proud sponsor of S.A.F.F.E. (Special Abilities Family Fun Event), a day for anyone with special needs and abilities. The event takes place the 3rd Saturday in September and hosts about 3,500 people each year.
