## A MESSAGE FROM THE CHAIRMAN OF THE BOARD

Hello and welcome to Kilgore!

Whether you are a native of Kilgore or a transplant like me, I think you will find Kilgore is the best place in Texas to live, learn, work and play. As home of the World's Richest Acre and the Kilgore College Rangerettes, we have a history that runs deep. We realize not only do we need to reflect on our rich history, but we also need to prepare for the future. While we're proud of our history, hospitality and natural beauty, we know it is our hardworking people who make this place truly special.

I am honored to be serving the community this year as Chairwoman of the Board of Directors for the Kilgore Area Chamber of Commerce. I follow a long line of people who served this organization and this community with fierce pride and a commitment to making Kilgore a better place. We currently have a diverse Board of Directors whose sincerest desire is to make Kilgore a place of economic strength and cultural diversity.

Our Chamber provides resources and vital information to small businesses, employers, health care providers, educators and volunteers. We work to create new opportunities by cultivating strong networks and advocating for our shared interests on regional, state and national levels. We partner with Kilgore College, the Kilgore Economic Development Corporation, Kilgore Independent School District and the City of Kilgore to make

our community stronger for the next generation. During 2020 and 2021 the Chamber worked tirelessly to educate small business owners on grants, loans and programs available to them through federal, state or local funding. The first priority of the Chamber was to find a way for every small business to keep their doors open during uncertain and frightening times.

I encourage you to visit our website at [kilgorechamber.com](http://kilgorechamber.com) or our various social media pages to find a schedule of our Chamber and Community events. If you are not currently a member of the Chamber of Commerce, please consider choosing a membership that meets your business or personal needs.

Local businesses are the backbone of our community, and we are excited to offer this membership directory highlighting the goods and services available. Each and every purchase made directly helps your friends and neighbors by generating revenue within our community.

I look forward to working with you so together we can continue to make Kilgore a great place to live, learn, work and play!

Sincerely,

*Bobbie Hurley O'Dell*

# HI Y'ALL

## A MESSAGE FROM THE CHAMBER PRESIDENT & CEO

It is my pleasure to welcome you to our newest publication, the 2022 Kilgore Area Chamber of Commerce Community & Business Guide. This publication is jam packed with information regarding the Kilgore, Texas area and we are thrilled for you to peruse through the pages of this Guide to find all the reasons to call Kilgore, Texas your place to Live, Learn, Work & Play. We have and we know you will want to as well.

The Kilgore Area Chamber of Commerce is a nonprofit business organization with nearly 300 members. We are very proud to be in our 91st year as the leading business organization in Kilgore, Texas. The purpose of the Kilgore Area Chamber of Commerce is to cultivate a strong business and industrial environment in the Kilgore, TX area, and to create a vibrant place to live, learn, work and play.

Looking back over the last two years, 2020 impacted our Chamber and Community in ways we have never experienced. We were forced to make unpopular decisions along with our Local, State and Federal agencies and businesses. Kilgore took this as an opportunity to come together with a #KilgoreStrong and #KilgoreProud initiative created by Global Graphics, one of our local businesses. Our businesses and community pulled each other through this very trying and sensitive time. As we leap into 2022, we are a stronger community that continues to grow and face adversity together.

As a community, Kilgore understands that working together is how to get things done. We pride ourselves on a very committed and involved leadership including the Chamber of Commerce, City of Kilgore, Kilgore Economic Development Corporation, Kilgore Independent School District, and Kilgore College. Along with a great group of civic organizations and other nonprofits, Kilgore continues to grow and develop into an integral part of East Texas.

In sharp contrast to the thriving boomtown of the 1930's, Kilgore today is a city that blends its rich oil heritage

with a technologically advanced business community that provides residents with an incomparable quality of life. In addition to its nearly 15,000 residents. Kilgore also draws from Gregg and Rusk counties with a combined population of nearly 160,000. The people who live here see Kilgore as a friendly small town that has many characteristics of a larger community. A high-tech industrial base, an outstanding public school system and community college, abundant recreational opportunities and extraordinary cultural events make Kilgore a unique small city.

We serve as a resource for current residents and individuals looking to relocate here. The Kilgore Area Chamber of Commerce fields inquiries from all over the county, state and country and answers questions about city services, schools, government, recreation, business, and industry, as well as tourism. We are proud to offer you this official business directory and community guide. We hope that you find it helpful and will refer to it often. Keep in mind that every time you use the services of one of the members listed you are helping support the Kilgore Business Community as well.

# ABOUT KILGORE

## KILGORE HISTORY

Surrounded by the lush pine forests and clear blue lakes of East Texas, Kilgore has a long and unusual history that sets the stage for today's unique community.

The area around what is now Kilgore was a rural agricultural and forestry region when in 1872 Constantine Buckley "Buck" Kilgore, with 174 acres, provided the right of way for an International-Great Northern Railroad line that would pass through the new townsite between Palestine and Longview. The area was settled in 1872 with the new railroad. The new town beside the tracks became a small trade center for farmers, lumbermen and cotton growers.

Settled by plantation owners before the Civil War, Kilgore was just a quiet farming community of 500 until it was thrust into the international spotlight with the discovery of one of the richest oilfields in the world. The simple, everyday life of the Kilgore community was drastically altered on December 28, 1930, when the Lou Della Crim #1 came in with more than 20,000 barrels of crude oil per day.

In ten short days following the oil strike, the town's population exploded with more than 10,000 fortune seekers from all over the world. The

city incorporated in February of 1931 as businesses and new shacks sprouted up in every vacant space to accommodate the masses in this new boomtown. By 1939, a forest of nearly 1,200 oil derricks existed within the city limits – many concentrated within one square block known as the World's Richest Acre. In the madcap race to extract as much oil as possible, one well was even drilled through the terrazzo floor of Kilgore National Bank, still visible today at the World's Richest Acre Park. Located off Houston Street is Meadowbrook Park, which offers a number of sports facilities such as soccer fields, a basketball court, walking trail and a playground. This park is flanked by Creekside Trail

Pentecost Park at 1700 Pentecost Rd is great for families as it features a climbing wall perfect for kids, a basketball court, playground and two pavilions.

If you're looking for a game of tennis, look no farther than Harris St Park. Located on 34 acres, Harris St Park is a popular spot for family picnics and birthday parties, with a large pavilion with picnic seating, an all-abilities play-

ground, lighted walking trail circumnavigating historic Driller Baseball Park and lots of grass for kids to play on. Pay your respects at the U.S Veterans Monument of Kilgore in Harris St Park and learn about the military artifacts displayed across the park such as the World War II Howitzer Cannon or the 1900s ship anchor. And for just \$15 a day visitors can stay at Harris Street RV Park, located just behind Driller Field, with water and electrical available at all sites.

Martin Luther King Jr Park features a walking trail, playground and a basketball court as well as a community building available to rent. For a small fee this 2,000 sq ft space is perfect for meetings, reunions or parties as it's equipped with a kitchen, perfect for catering your own event.

The centerpiece of Kilgore's park system

features a pair of recreational trails for walkers and bicyclists. The paved, out-and-back five-mile Creekside Trail offers peaceful shaded views with benches along the way for those looking to stop and take a break. Next door to Creekside Trail, Bighead Creek MTB Trail was lovingly created largely by volunteer mountain-bike enthusiasts. The unpaved five-mile circuit features bridges, jumps and banked turns as it twists between giant hardwood trees. The most recent addition is a pump track -- a relatively short, unpaved circuit designed to provide a skill-sharpening experience for young or inexperienced mountain bike riders. Access to the sprawling trail complex is from trailheads at Dudley Rd., Houston St., Crescent Dr. and Stone Rd.

Meadowbrook Bark is Kilgore's new dog park. Divided into two sections, one for small dogs and one for large dogs, the two-acre play area for our furry friends includes obstacles and a watering station. Each section also includes benches for the humans owned by the visiting dogs and features a station for filling water bottles. The Bark is encircled by paved links to Creekside Trail and Bighead Creek MTB Trail.

If you enjoy scenic walks, you won't want to miss Synergy Park and the wooded trails they have to offer. While you're there, enjoy uncrowded fishing in Elder Lake (license required) or feed the ducks along the lake shoreline.

Visit <http://www.cityofkilgore.com/parks-facilities> for more information or call (903) 984 5081 if you would like to reserve a pavilion or building.

# PUBLIC SAFETY

## POLICE DEPARTMENT

The Kilgore Police Department has been providing professional Police Service to residents and visitors of our community since 1931. The Kilgore Police Department is a Recognized Agency through the Texas Police Chief's Best Practices Program and was once again Accredited in 2020. KPD is comprised of an Operations Unit and Support Services Unit. The Operations Unit consists of our patrol officers as well as K-9, Traffic and School Resource Officers. The Support Services Unit consists of Communications, Criminal Investigations, Victim Services, Narcotics, and the Municipal Jail.

Kilgore PD and Henderson PD have joined forces and developed a "Joint Operations SWAT Team" serving the cities of Kilgore and Henderson. The Department currently consists of 37 sworn officers (including four in administration), 8 full-time dispatchers, a Police Manager and two records personnel.

The Kilgore Police Department provides many specialized services in Community Policing programs including the Clergy and Police Alliance (CAPA), Citizens Police Academy, Volunteers in Police Services (VIPS) and our award-winning National Night Out Program. The Kilgore Police Department prides itself in the relationship that it has built with our community.

## FIRE DEPARTMENT

The Kilgore Fire Department responds to the City of Kilgore and parts of Rusk and Gregg Counties. The Department responds with 33 paid firefighters out of three strategically located fire stations.

**2205 Highway 42 North**

**2200 S. Henderson Boulevard**

**3500 Stone Road**

Our Department is able to respond by using 2 Front line engines, a Tactical Truck, 2

Brush Trucks and a Ladder Truck. All firefighters are certified by the State of Texas Fire Commission and are all EMT's supplemented with some paramedics that are able to provide advanced medical care.

Nationally only 2% of fire departments have achieved an ISO classification of 2 or better. Kilgore Fire Department is proud to have a classification of 2 since 2018. The City of Kilgore Police and Fire Departments both are recognized by their respective State Associations for Best Practices. The Best Practices program status of excellence is validated by independent experts and demonstrates that these organizations are among the very best in the State of Texas.

The Fire Department is a proud sponsor of S.A.F.F.E. (Special Abilities Family Fun Event), a day for anyone with special needs and abilities. The event takes place the 3rd Saturday in September and hosts about 3500 people each year.
